

### NS-FE2B Fork Extensions Budget

Fork Extensions Budget provides the simple solution for use of long objects or large pallets that must be lifted & moved with a fork truck. It is required that extensions do not exceed length of forks on which they are installed by more than 50%.

- Fork Extensions Budget 1524mm Length
- Welded Steel Construction
- Fits onto forks up to 50mm thick
- Steel Retaining strap prevents for extensions from sliding off forks during use.
- Specials made to order to suit most fork lifts.
